Introduction

19 Texas Administrative Code (TAC) Chapter 89 Adaptations for Special Populations, Subchapter BB
The Commissioner’s Rules concerning the state plan for educating English language learners (ELLs) state that all school districts that are required to provide bilingual education and/or English as a Second Language (ESL) programs establish and operate an Language Proficiency Assessment Committee (LPAC).

Purpose of the LPAC Framework

• The Framework for the LPAC process includes clarification of the legal requirements for the LPAC and provides documents and forms to facilitate the training of LPAC members.
• The forms included in the LPAC Framework are samples for districts to use for the implementation of a bilingual/ESL program.

Purpose of the LPAC Framework

The LPAC Framework integrates State and Title III of Public Law 107-110 (Elementary and Secondary Education Act) requirements regarding the:
• identification and placement;
• parental approval;
• annual review; and
• assessment of ELLs as they attain language and academic proficiency.
Purpose of the LPAC Framework

The Framework delineates the steps that must be followed in the:

- **Identification** – Assessing students whose Home Language Survey have a language other than English and who are determined to have limited English proficiency
- **Processing** – LPAC meets to review assessment information in order to make placement decisions

Purpose of the LPAC Framework

- **Placement** – Determining the appropriate program for students identified as an English language learner (ELL)
- **Monitoring** – Reviewing progress and performance of ELLs in their intensive language instruction program as well as the determination for exit and follow-up of students as they transition into an all-English program

Identification of Transferring Students

If the student transfers from a school in Texas:
• Review the withdrawal form, if available, to see if he/she was being served in a program or identified as an ELL in PEIMS.
• Try to get as much original documentation as possible, especially the HLS (document your attempts).
• Once a student is identified as an ELL in Texas, the district does not have to proceed with a new identification process.
• The LPAC identifies and places the student within the first 20 school days of enrollment. Be sure that all of the necessary signed documents are in the student’s LPAC folder.

Identification of Transferring Students

If the student transfers from a school outside of Texas:
• Review any documentation brought in by the student.
• Proceed with Texas law, including HLS, for identification as outlined for Texas students new to the district.
• Review information found in the database on students who have previously attended Texas schools (refer to previous slide).
Timeline

The campus/charter school has 20 school days to complete the testing and convene as an LPAC to determine the ELL status of each student.

LPAC Decisions about State Assessments

In the spring of the current school year, the LPAC will convene to determine the appropriate assessment option for ELLs before the administration of the state criterion-referenced test that year.

Refer to the LPAC Decision-Making Process for the Texas Assessment Program for complete information.

http://tea.texas.gov/student.assessment/ell/lpac/
Annual Review

At the end of the year, the LPAC reviews every child:
• identified in PEIMS as ELL, being served in a bilingual or ESL program
• identified in PEIMS as an ELL parental denial
• that has met criteria for bilingual/ESL program exit, is no longer classified as ELL in PEIMS, and is in his/her first (F) or second (S) year of monitoring

The LPAC should review:
• Benchmarks
• Classroom Tests
• State Criterion-Referenced Test Data
• Norm-referenced English and Spanish (when applicable) Standardized Achievement Test Data
• Oral Language Proficiency Test Data
• TELPAS, TPRI, Tejas LEE, etc.
• Passing grades in all subjects and courses taken
• Any input that will give a well-rounded picture of the student’s growth and progress

LPAC Decisions about End-of-Year (EOY)

LPACs shall conduct EOY LPAC meetings for all ELLs, including those who are possible candidates for exit from the bilingual or ESL program, even though results from the spring STAAR administration will not yet be available.
• For students being considered for exit, the LPAC will document that all the necessary criteria have been met and that they are awaiting the necessary STAAR results in order to make a final exit decision.
• The LPAC must have a follow-up process as soon as scores are received by the district.
• Once scores are received, a member of the LPAC will enter the scores into the documentation and complete the exiting process for eligible students without the need for another LPAC meeting.
LPAC Decisions about End-of-Year (EOY) cont.

- Please remember that this process applies to students who have met all other exit criteria and are awaiting pending STAAR Reading and/or STAAR Writing scores.
- Students for whom the LPAC recommends the use of Dictionaries, Oral Administration, Language and Vocabulary Supports, or Extra Time as an accommodation for any reading or writing assessment, may not be considered for exit at the end of the school year.
- Once the LPAC documents have been completed, the district can then follow up with letters of exit approval to parents whose students met exit criteria.
- Please be sure that an LPAC representative that will be in the district or on the campus knows about this process so that it can be completed.
- The following link is for the 2017-2018 school year testing calendar: [http://tea.texas.gov/student.assessment/calendars/](http://tea.texas.gov/student.assessment/calendars/)

- Proficiency in oral English language;
- At or above the 40th percentile in both the reading and language arts sections of the TEA-approved norm-referenced measure; and
- Consideration of a subjective teacher evaluation.

See Exit Criteria Chart for grade-specific requirements. 19 TAC §89.1225 (h-j)

Reclassification of ELLs

- Students in pre-kindergarten and kindergarten **may not be exited** from a bilingual education or ESL program.
- An annual review is still conducted by the LPAC for all students identified as ELL in order to assess and document progress.

19 TAC §89.1225 (j)
Parental Notification/Approval

• Once the LPAC reclassifies a student as Non-ELL, parents must be notified that the student has met state criteria for exit and will be monitored for two years.
• Parent approval of the student's exit must be present in the student's record.
• Sample letters are found under Suggested Forms.

Reclassifying ELLs with Disabilities

• The ARD committee, in conjunction with the LPAC, shall determine an appropriate assessment instrument and performance standard requirement for exit.
• The decision to exit a student is determined by the key members of the ARD in conjunction with the key members of LPAC.

http://tea.texas.gov/index2.aspx?id=4098
Evaluation of Reclassified Students

The LPAC shall reevaluate a student who is transferred out of a bilingual education or special language program under Section 29.056(g) if the student earns a failing grade in a subject in the foundation curriculum under Section 29.002(a) during any grading period in the first two school years after the student is transferred to determine whether the student should be reenrolled in a bilingual education or special language program.

TEC §29.0561(a)

Reclassified Students

During the first two school years after a student is transferred out of a bilingual education or special language program under Section 29.0561 (b), the LPAC shall review the student's performance and consider:

TEC §29.0561(b)
Reclassified Students

After an evaluation under this section, the LPAC may require intensive instruction for the student or reenroll the student in a bilingual education or special language program.

TEC §29.0561(c)

Required Summer School Programs

- 19 TAC §89.1250 Required Summer School Programs

- Conduct periodic assessments in the languages of instruction to determine program impact and student outcomes in all subject areas.
- Annually report (and retain the report) the academic progress in either language of the ELL, the extent to which they are becoming proficient in English, the number of students who have been exited from the bilingual education and ESL programs, and the number of teachers and aides trained and the frequency, scope, and results of the training (TEC §7.028).
• Report to parents the progress of their child as a result of participation in the program offered to ELLs in English and the home language at least annually.
• Develop, review, and revise the campus improvement plan described in the Texas Education Code §11.253, for the purpose of improving student performance for ELLs.

Program Evaluation

• §89.1267. Standards for Evaluation of Dual Language Immersion Program Models.
• (a) A school district implementing a dual language immersion program must conduct annual formative and summative evaluations collecting a full range of data to determine program impact on student academic success.

19 TAC §89.1267

• (b) The success of a dual language immersion program is evident by students in the program demonstrating high levels of language proficiency in English and the other language and mastery of the Texas essential knowledge and skills for the foundation and enrichment areas. Indicators of success may include scores on statewide student assessments in English, statewide student assessments in Spanish (if appropriate), norm-referenced standardized achievement tests in both languages, and/or language proficiency tests in both languages.
